RE: INSPECTION OF TOURNAMENT SITES

The Board of Control of the Ohio High School Athletic Association has ruled that all tournament sites should be thoroughly inspected by the manager and/or other competent individuals and not found wanting in safety factors.

This precaution should take place within the week prior to the first tournament game.

After your facilities have been carefully inspected, fill out this report and, if you are a Sectional/District Manager, mail this report to the Secretary of the District Athletic Board. If you are a Regional Manager, mail this report to the OHSAA office.

---

We, the undersigned, hereby certify that we have carefully inspected the floor, premises and facilities of the tournament site and found no apparent defects before the first game of the tournament has been played.
